Superintendent's Report

To the Superintending School Committee
and Citizens of Union:

For the second year all pupils in town have been enjoying our central building which so well

meets our school needs. At the opening of schools this fall there were 177 in the grades and 79 in High school.

The lower grade rooms are very crowded, the Primary room having 50 pupils and the third and fourth grade room, 54. This Primary room will continue to be crowded every year so long as children are permitted to enter school at the age of five years thus making it necessary to have a sub-primary group and a first as well as a second grade in this room. Did children enter school at the age of six years instead of five as much could be accomplished in two years as is now being done in three years. This is possible because this sub-primary group of five year old children takes more than its share of a teacher's time and thus the first and second grades do not get the time and attention that rightly should be theirs. Many parents also realize that when their five year old children are transported to school and have to remain the entire day they get very tired before arriving home at night.

Principal and Mrs. Nickerson resigned in June as Mr. Nickerson wished to complete his course at the University of Maine. Both Mr. and Mrs Nickerson were superior teachers and during the past year and two terms they have been a great help to our schools and community.

We were very glad to secure as principal of the Grammar school Wendell Eaton of Dexter who is a graduate of Farmington Normal school and the University of Maine. As low grade assistant Ann Hart of South Hope was secured. Miss Hart is also a graduate of the University of Maine. Both Mr. Ea-

ton and Miss Hart have proven themselves to be very promising teachers.

For the tenth year we have been fortunate to continue to have the superior services of Principal Thomas and Miss Merrifield. At the opening of schools this fall Mrs. Mitchell was unable to teach and Cassie Poshkus of Durham, who was graduated from Bates college in June, was secured as teacher of English and French.

Mrs. Cooper has continued her much appreciated work as musical director. The high school Minstrel show which was put on under her direction during the winter term was a real success. In May of last year Mrs. Cooper took a High School chorus to the State Musical Festival and plans are being made for a larger chorus to attend this year.

During the latter part of the summer it was found that the stringers in the entrance on the High school side of the building had so rotted that they had to be replaced and while this was being done it was found that the sill on this end of the building had also so badly rotted that this had to be replaced. This work was done by Raymond Butler and cost \$272.71. Hoping to prevent further trouble windows were made in the wall to aid in ventilation.

The Woman's Community Club has the past year, not only bought music books for the middle grades, but has also purchased flags with standards for each of the grade rooms and high school. These gifts are indeed appreciated.

High school scholarships of your donor to the amount of \$4750.00 have been paid and there is due for scholarships that have already been awarded,

(Page 72)

\$2750.00, a total amount awarded \$7500.00. The scholarships awarded last June were \$250.00 for four years and \$250.00 to Betty Farris also for four years.

In closing this report I wish to thank citizens for their support of schools and every school activity. I wish especially to express to the members of the committee my sincere appreciation of their interest in every school problem.

Respectfully submitted,

FRANK D. ROWE,
Superintendent.

Report of the Principal of the Union High School.

To the Superintendent, School Committee and
Citizens of Union:

Union High School opened September 2 with classes enrolled as follows:

Seniors, 19; Juniors, 20; Sophomores, 23; and Freshmen, 17; making a total enrollment of 79.

In athletics this year the school has participated in fall baseball, basketball, in the new Tri-County League, and winter sports. By winning the Camden Snow Bowl meet for the third year in succession Union High School retired the Webber Trophy from competition.

During the winter term the Boys' and Girls' Glee Clubs, under the direction of Mrs. Cooper presented the Blue and White Minstrel which proved a great success.

The Senior Class play under Miss Merrifield's direction will be presented early in the spring term.

Recent speakers at our assemblies include Frank Winslow and Almon Cooper of Rockland. On March 27 Gerry Wade of the State Department of Inland Fisheries and Game, will show pictures of fish rearing in Maine hatcheries.

Many citizens have during the year given generously of their time to make our various school activities a success and to all we express our sincere thanks.

Respectfully submitted,

W. P. THOMAS,
Principal.

Superintendent of Schools Report

To the superintending School Committee
and Citizens of Union:

As another school year is faced it must be realized that there will be a considerable increase in school costs for the coming year. Sufficient funds must be raised to maintain schools up to their highest possible efficiency for whatever the war may do to our citizens, our young people must be better prepared than ever before to meet the days ahead, for the coming generation will have far more and harder problems to face than we have ever known.

The coming year will bring changes in our schools. Both Mr. Robbins and Mr. Lever expect to enter the service, and because of the very few men to enter the teaching profession, it will probably be necessary to elect women to their positions. These changes may make it advisable to have the high school principal act as principal of the building, how the coaching of sports can be arranged, however, will be a problem.

There were three changes in the teaching corps when schools opened this fall. Mr. Eaton, who was principal of the Grammar school last year, was succeeded by Mr. Robbins of Rangely, a graduate of Farmington Normal School, and Miss Hart, who was the low grade assistant, was succeeded by Miss Robbins of South Hope, also a graduate of Framingham Normal. In the high school, Mrs. Nunan was succeeded by Mr. Lever of Lewiston, a Bates College graduate as English-French teacher and coach of the high school girls in baseball and basketball.

There were no changes this fall in transportation. Mr. Abbott has continued to transport from the Round Pond-Nye routes; Mr. Blake, the Hibbard-Stone route; Mr. Gould, the East Union-South Union route; and Mr. Hawes, from the Hawes district.

Mrs. Cooper has continued her superior work as music supervisor and we feel especially fortunate to have her unusual services.

We have been fortunate also in having John Leach as custodian of the building for another year. His faithful services are indeed appreciated.

The Woman's Club this fall bought for the grades more music books which have been very much enjoyed and appreciated.

The work in the grades has continued most satisfactorily. Mrs. Heath, Miss Hawes and Mrs. Starrett have continued their faithful service and both Principal Robbins and Miss Robbins have proven to be excellent teachers. High school under the direction of Principal Thomas and his co-workers, Miss Merrifield and Sub-Master Lever has been a real success.

The scholarships of your donor the last four years have amounted to \$10,500.00 and were awarded as follows:

In June 1938—Eleanor Simmons, \$250.00 for four years; Louise Newbert, \$250.00 for two years; Susan Abbott, \$250 for two years; and Muriel Hannan, \$250.00 for two years.

In June 1939—Bruno Aho, \$250.00 for four years; Burnell Farris, \$250.00 for four years; Alice Layr, \$250.00 for two years; Mildred Butler, \$125.00 for two years; and Helen Mitchell, \$125.00 for two years.

In June 1940—Marjorie Butler, \$250.00 for four years; and Betty Farris \$250.00 for four years.

In June 1941—Norma McEdward, \$250.00 for four years; Barbara Morton, \$250.00 for four years; and William Young, \$250.00 for four years.

After attending college two years and using \$500.00 of his award of \$1000.00, Burnell Farris decided to leave college for the present as he had an unusual opportunity to work and he has asked

that the unused \$500.00 of his award be returned to the fund to aid some other deserving student.

William Young did not enter college this fall as he had planned and he has not as yet used any of his award.

There is a balance in the Scholarship Fund of \$2000.00 which can be awarded in June 1942 or part in 1942 and part in 1943.

When the work of painting the school building was begun in the summer it was found that many of the finish boards around the top of the building had so badly rotted that they had to be replaced. This unexpected expense caused the overdraft in the repairs account.

During the summer of 1940 it was found that some of the stringers and a piece of sill on the northeastern end of the building had become rotted and had to be replaced. Windows were put in along the eastern end of the building and it was hoped that there would be no further trouble. There is, however, evidence of more trouble on the southeastern end of the building which should be repaired during the summer.

In closing this report I wish once more to thank the Members of the Committee and all who have helped to make the schools the success that they have been.

Respectfully submitted,

FRANK D. ROWE.

Report of the Principal of the Union High School

To the Superintendent, School Committee
and Citizens of Union:

The high school opened in September with an enrollment of 76. Since that time five students have left school leaving an enrollment of 71. Of this number 17 are Seniors, 22 are Juniors, 12 are Sophomores and 20 are Freshmen.

During the spring vacation of last year, the senior class enjoyed a trip to New York City. The bus fares were paid from the class funds and the remainder of the expense by the students. The trip proved such a success that the present senior class is making plans for a similar trip this spring.

The Business Training Class, under the direction of Miss Merrifield, has sponsored the sale of Defense Bonds and Stamps in the high school. The plan has been very successful and at this writing the total sales are \$447. We feel this to be a fine record for a school of this size.

The school has this year continued the usual work in music, athletics and dramatics.

I should like to take this opportunity to thank all who have helped to make our school activities successful.

Respectfully submitted,

W. P. THOMAS, Principal.

Town Warrant

CLARENCE LEONARD, Constable of Town of Union, Maine, in the County of Knox.

GREETING:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the said Town of Union, qualified by law to vote in town affairs to assemble in the Town House in said Town on Monday, the 16th day of March, A. D. 1942 at 10 o'clock in the forenoon, to act on the following articles to wit:

- Art. 1. To choose a moderator to preside at said meeting.
- Art. 2. To choose a town clerk.
- Art. 3. To act on the reports of the selectmen, assessors, overseers of the poor, treasurer, superintendent of schools, town clerk and all other reports, so far as the law requires the same.
- Art. 4. To choose selectmen, assessors, overseer of the poor, treasurer and a member of the school committee for three years.
- Art. 5. To elect one or more fire wards, or act thereon.
- Art. 6. To elect a road commissioner or commissioners, or act thereon.

Art. 7. To choose all other necessary town officers.

Art. 8. To see what sum of money the town will vote to raise by taxation and appropriate for the following purposes:

(a) For the support of common and high schools.

(b) For repairs of schoolhouses.

(c) For textbooks, incidental expenses common and high schools, high school laboratory and library.

(d) For support of poor.

(e) For the repairs of roads and bridges.

(f) For maintenance third class road.

(g) For patrolling State Roads.

(h) For interest.

(i) For miscellaneous expenses.

(j) For clearing roads of snow.

(k) For care of Common.

(l) For town officers.

(m) For electric street lights.

(n) For Memorial Day.

(o) For insurance on school buildings.

(p) To pay schoolhouse notes.

(q) For maintenance State Aid Roads.

- Art. 9. To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Chapter 213, Public Laws of 1941.
- Art. 10. To see what sum, if any, the town would recommend to take from the joint state aid account for the purpose of applying bituminous surface treatment to state aid roads in excess of requirements of Section 2, Chapter 132, P. L. 1935.
- Art. 11. To see what sum, if any, the town would recommend to take from the third class apportionment for the purpose of applying bituminous surface treatment to THIRD CLASS ROADS, in excess of the requirements of Section 1, Chapter 207, P. L. 1939.
- Art. 12. To see what the town will vote to allow per hour for men, trucks and pair of horses for labor on the highways the ensuing year or act thereon.
- Art. 13. To see if the town will vote to authorize its Selectmen and Treasurer to make temporary loans in anticipation of taxes, and to issue and negotiate notes therefor, to an amount which shall not exceed in the aggregate the total tax levy of the preceding municipal year, to be paid during the year in which they are issued out of

money raised during such current year by taxes, in accordance with the provisions of Section 83, of Chapter 5, of the Revised Statutes of the State of Maine, as amended.

- Art. 14. To see if the town will raise and appropriate \$66.00 for school nursing in the town of Union under the auspices of the Bureau of Health of the State Department of Health and Welfare.
- Art. 15. To see if the town will vote to raise \$200.00 to co-operate with the Maine Forest Service and the Federal Government in the control of white pine blister rust within the confines of the Town.
- Art. 16. To see if the town will vote to raise \$200.00 to be expended for the maintenance of the Vose Library, or act thereon.
- Art. 17. To see if the town will vote to authorize the selectmen on behalf of the town to sell and dispose of any real estate acquired by the town each year for non-payment of taxes thereon, on such terms as they may deem advisable, and to execute quitclaim deeds for such property.
- Art. 18. To hear the report of the committee appointed to investigate the matter of purchasing fire fighting apparatus for the town of Union.

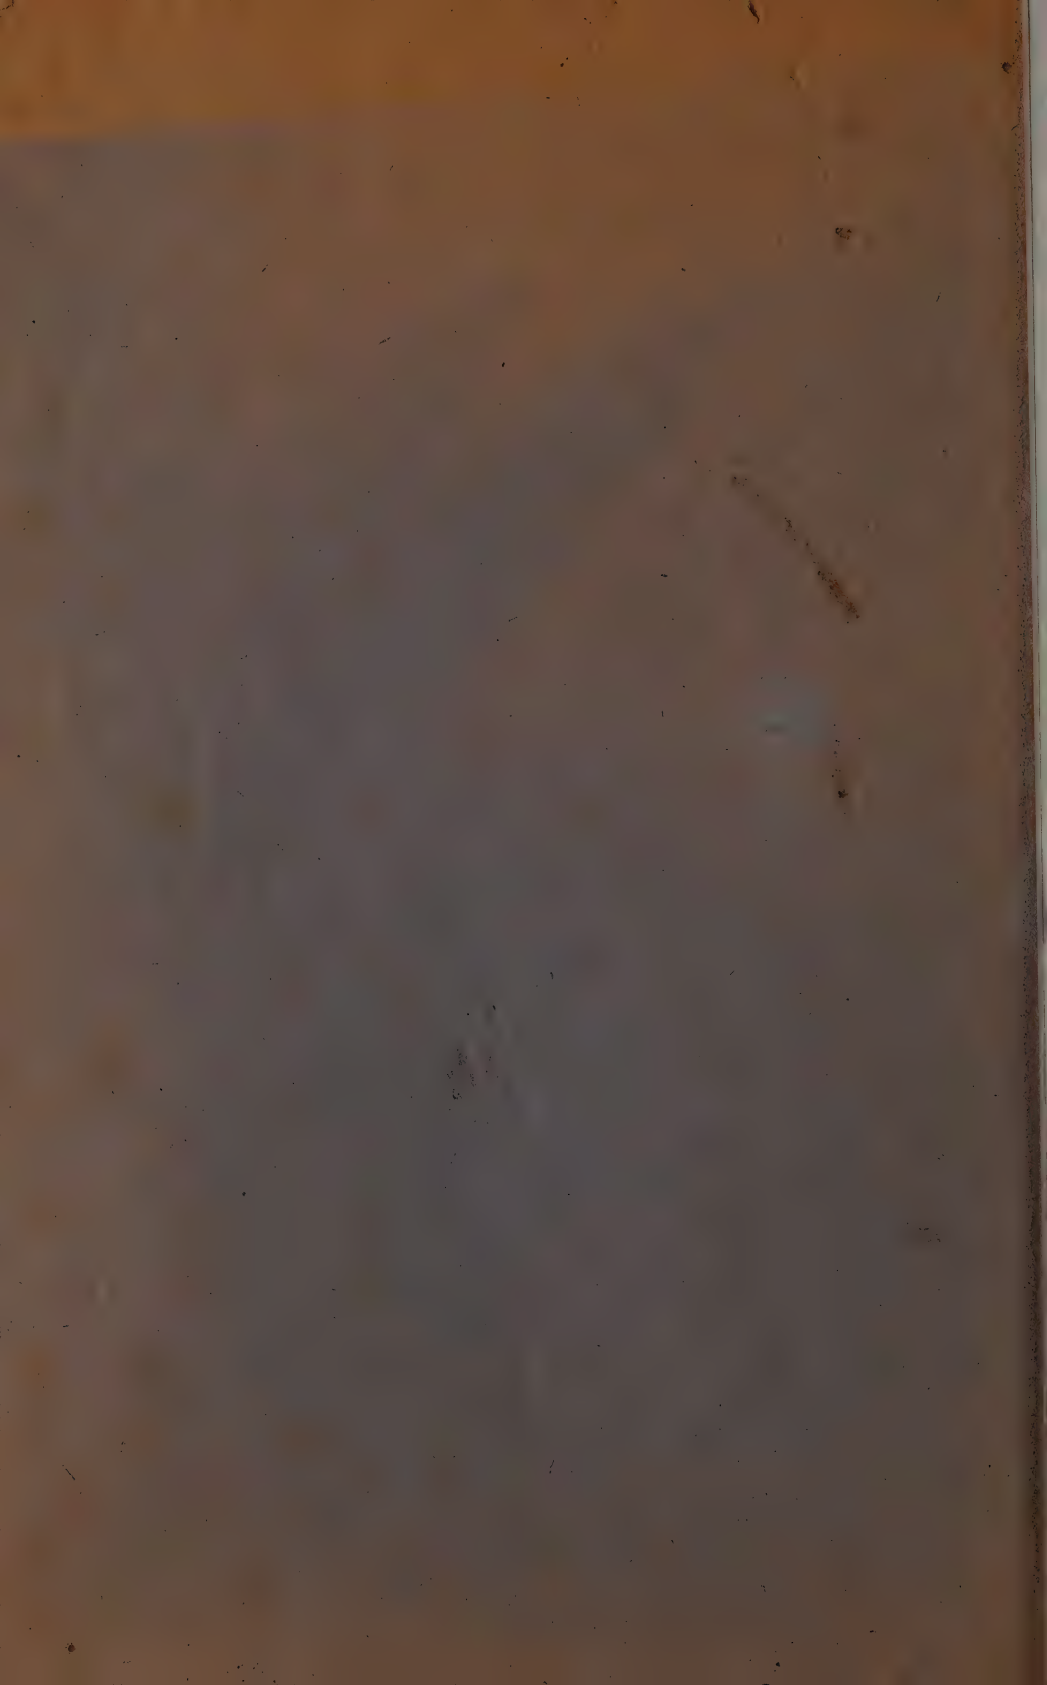

- Art. 19. To see if the town will vote to purchase fire fighting apparatus and what sum of money shall be raised for this purpose or take any action relating to the same.
- Art. 20. To see whether or not the town will vote to raise and appropriate the sum of \$50.00 for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82, of the Revised Statutes. Said money to be expended through the State of Maine Publicity Bureau.
- Art. 21. To see if the town will vote to accept \$100.00 from Simeon Butler, \$100.00 from B. E. St. Clair, \$100.00 from the estate of Lilla A. Alden, \$125.00 from the heirs of Jerome Burrows and \$125.00 from the heirs of Calvin I. Burrows to be held in trust by the town of Union, the income to be used for the perpetual care of their cemetery lots.

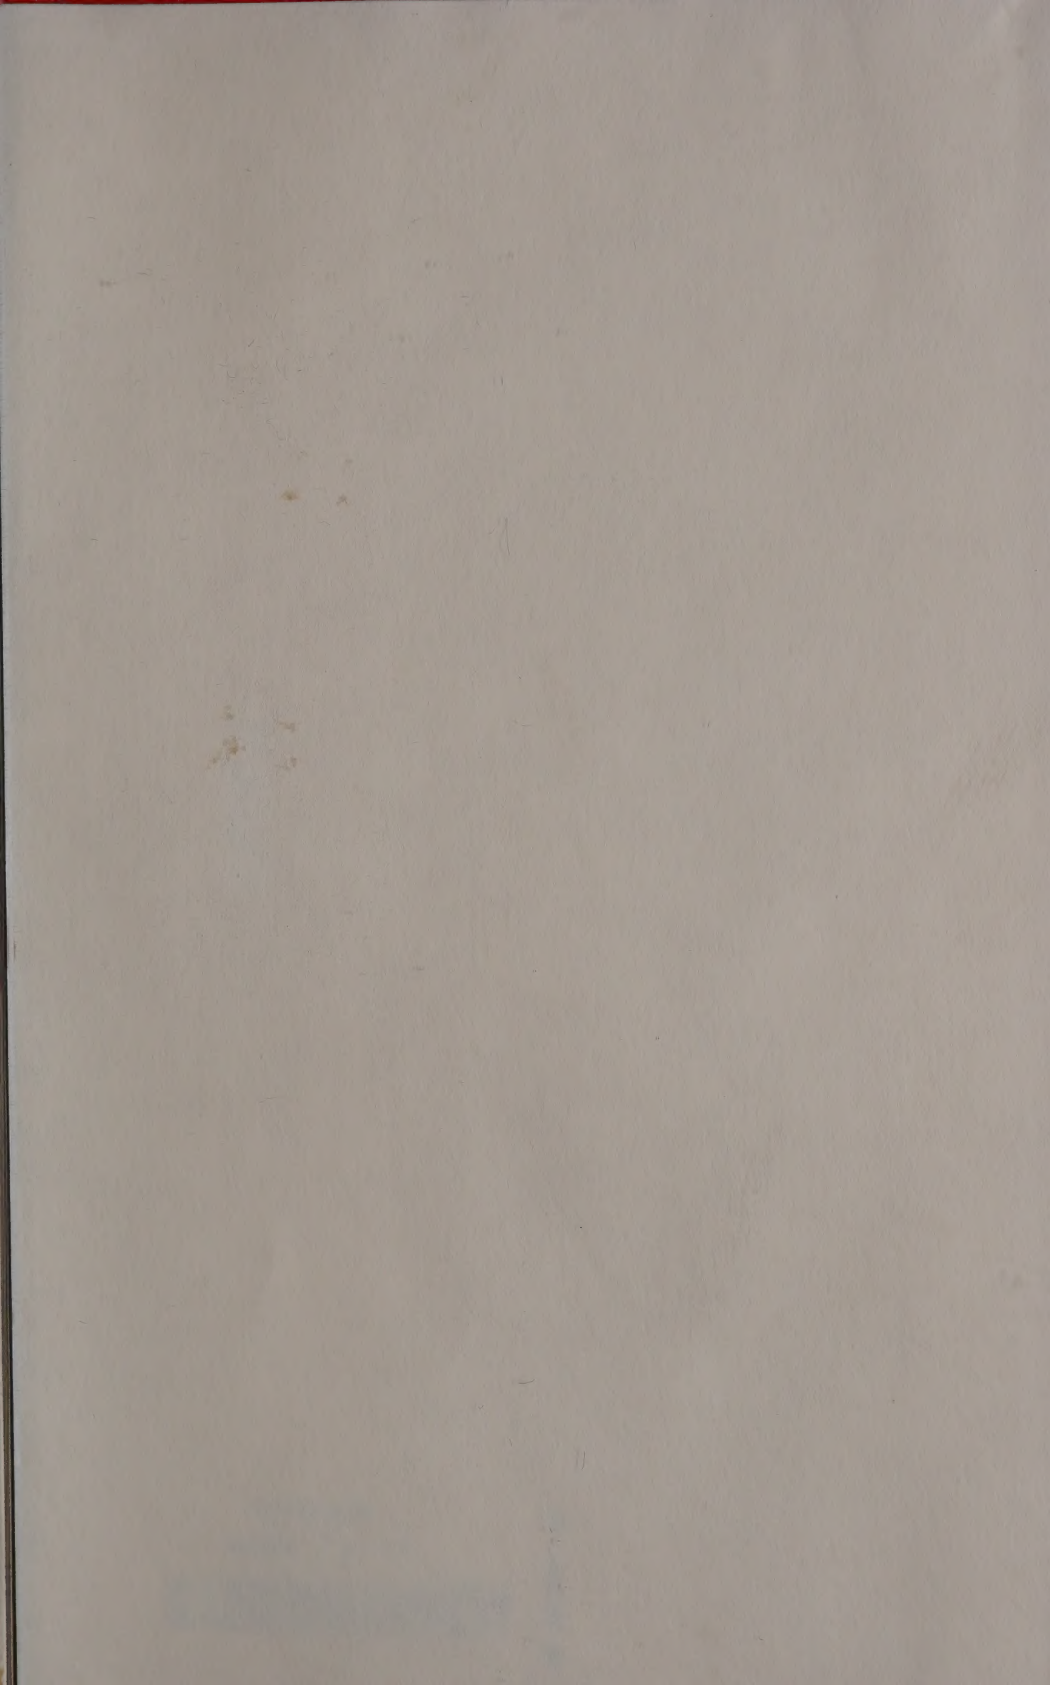

The selectmen will be in session for the purpose of correcting the list of voters at the place above named at 9 o'clock in the forenoon of the above date.

Hereof Fail Not and make due return of this Warrant and your doings thereon.

Given under our hands at Union, Maine, this twenty-fourth day of February, A. D. 1942.

H. L. GRINNELL,
W. C. PERRY,
W. GEORGE PAYSON,
Selectmen of Union.
